

# **2013 IMPACT**

(As of 11/30/2013)

So far this year, BCC has invested over \$89 million to support organizations and businesses that benefit underserved communities and to assist individuals needing foreclosure relief.

## > Community Development

Our Loan Fund has closed on 26 loans financing projects in 5 states totaling over \$40 million—and we are on track to close over \$45 million by year end.

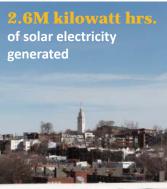

#### > Foreclosure Relief

Our SUN Initiative has closed on 92 mortgage loans to homeowners facing foreclosure. In September SUN began accepting applications from Maryland.

### Our Solar Energy Advantage program has closed on funding for 9 projects that will generate 1.5 megawatts of solar energy, about the

consumption of 333 homes.

> Green Initiatives

#### > Tax Credits

We closed on 3 New Market Tax Credit investments financing 2 sustainable forestry deals and 1 solar energy project.

Since 1985, with your support, **BCC** has invested over \$978 million in communities where low-income people live and work.
